

Dexterity Pendant Adaptor from SureSafe

For people with limited dexterity, SureSafe offer the SureSafe Dexterity Pendant Adaptor.

A simple attachment that works with your SureSafe 24/7 Connect Pendant, the dexterity pendant adaptor makes it easier for individuals with limited strength or coordination to activate their alarm button. The dexterity adaptor is a must have for people who have had a stroke, have arthritis in their hands or wrists, as well as many other similar conditions.

Suitable for use when worn as a neck pendant, the dexterity adaptor offers an increased surface area on which to activate the alarm button. Never worry about being able to call for help in the event of an emergency with a Dexterity Pendant Adaptor from SureSafe.
