

SureSafe Annual Renewal for Lifeline Renewals

This 12 month complete package gives you access to the SureSafe 24/7 Connect service, and comes with 12 months monitoring and equipment rental. Save £20 based on the pay monthly package.

If you do not want to pay using direct debit, or you prefer to pay annually, then this package allows you to pay for 12 months service with a debit or credit card. We simply contact you again in 11 months time to arrange your next annual payment.

Easy to set-up, simply plug in and away you go. Read more about the service [here](#).

Product highlights:

- Massive 100m pendant range – large coverage in the home and garden
- Can be worn as a pendant, wristband or belt clip
- Fully waterproof pendant – designed for use in the bath or shower
- Does not interfere with your home phone, does not need a new telephone socket
- Easy to set-up
- Installation and demonstration service available
- Automatic Fall Alert pendant can be added to package at any time

Following purchase we will contact you for all your details to allow you to connect to SureSafe's 24/7 monitoring centre.

All prices are VAT exclusive. See Terms & Conditions for more details.
